2LoveOrphans.com is an organization that longs to be a part of helping defend, rescue and deliver orphans from their distress. God promises to set the lonely in families and **2LoveOrphans.com** wants to be a part of His plans for the orphan and encourage others to do the same!

Psalm 82:3-4 "Defend the cause of the weak and fatherless; maintain the rights of the poor and the oppressed. Rescue the weak and needy; deliver them from the hand of the wicked."

One evening at a fundraiser for orphan care, Jennifer and Tracy both realized that they could not stop at adoption. The need was too great and the call was too strong. They were not going to be able to adopt over a million orphans into their very own homes. They could not financially afford to see every orphan placed in a forever family. What more were they going to do to help orphans?!?!?!? God gave them a dream. They knew they were two women who were to love orphans so they started this organization...**2LoveOrphans.com**. Together with their family and friends, they hope to be a voice for the voiceless and they hope to encourage others to step up and do the same.
